### ZECHARIAH – PART II

*(Study Material from Berean Study Bible, Tony Evans Bible Commentary, and Thru the Bible Notes)*

Zechariah's (*LORD remembers*) good news of the coming kingdom is expanded to include the good news of the coming King. A future King will destroy Judah's enemies, protect the nation, and bring peace and prosperity. His glorious kingdom will have a champion who will make the house of Judah the preeminent empire on earth.
